A LIBRARY FOR EVERYONE!

Main library is a community and cultural center for ALL Long Beach residents, but it is being threatened with a huge blow: FULL CLOSURE OF MAIN LIBRARY TO THE PUBLIC.

- 27,000 children live in the area served by Main library.
- Main library receives close to 500,000 visitations per year.
- Main is the only library with a center to help serve the disabled with computer help.
- 70 computers are available for use inside Main library.
- An employment kiosk is available to jobseekers inside Main library.
- The Family Learning Center provides bilingual homework helpers to school-aged children inside Main library.

*** WE NEED A LIBRARY FOR THE DOWNTOWN AREA.**

*** PLEASE HELP US TELL THE MAYOR, CITY MANAGER, AND CITY HALL THAT CLOSING MAIN LIBRARY IS NOT ACCEPTABLE, UNLESS A COMPARABLE ONE IS BUILT FIRST!**
